By: *[Signature]* Attorney for Applicants

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action dated April 3, 2003, regarding the patent application identified above, Applicants make the following election.

35 U.S.C. § 121:

Claims 1-15 are pending in the present application, and they are subject to a restriction requirement.

The Examiner objected that the present application contains claims directed to the following patentably distinct groups of the claimed invention:

Group I	Claims 1 and 11
Group II	Claims 2-10 and 12-14
Group III	Claim 15

GROUP 1700

APR 30 2003

RECEIVED

As requested for the purpose of prosecuting the present application, Applicants provisionally elect Group II, currently recited in Claims 2-10 and 12-14.

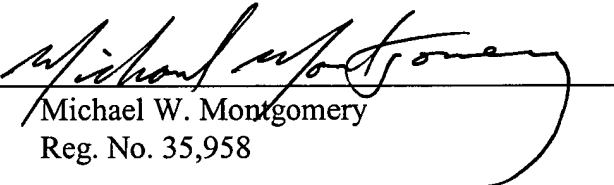

In addition, Applicants have added Claims 16-18, to recite the present invention in different detail.

Applicants respectfully request the Examiner to allow the present invention.

Respectfully submitted,
Attorney for Applicants
